Busiest day ever recorded (passenger numbers): 2013 with 2,589,980 arriving and 2,573,446 departing.

Percentage of international passengers in 2013:98%. Percentage of domestic passengers in 2013: 2%. Percentage of business travelers in 2012: 3.96%. Percentage of other leisure travelers in 2012: 3.98%.

Passenger volume by terminal (millions) 2013: Terminal 1 – 1,106,555. Terminal 2 – 1,466,891.

Cargo: Cargo tonnage in 2013: 3,497.

Terminals; Areas per Terminal: Terminal 1 – 25,000 square meters. Terminal 2 – 26,300 square meters.

Most popular destinations:
Toronto
Toronto
Paris
Miami
Panama
Montreal
Charlotte
New York
Moscow
Atlanta
Newark
Philadelphia

Year each terminal opened: Terminal 1 – 1984. Terminal 2 – 2004. Terminal C - 2013.

Location: The eastern coast of the Dominican Republic, less than 2 hours' drive the nation's capital, Santo Domingo.

Post office: Stamps and mail delivery drop-off are available.

Local time: Caribbean Eastern Time (GMT -0400), in winter this is one hour earlier than Eastern Standard Time in the US. The Dominican Republic does not practice daylight savings time.

Noise abatement: Applied to flight paths and other aircraft operations.

Eco philosophy: The airport was awarded with 2009 Conde Naste World Savers Award for advancements in ecological sustainability. The airport practices Zero Waste, an integrated solid waste management program, as part of our commitment to the natural environment, the local community, and providing high quality services to our guests and residents. By participating actively in our recycling program you are helping to reduce the amount of waste that is sent to the local landfill, potential health problems caused by improper waste management, thus protecting the local community from contamination from the landfill, making Punta Cana a better place to live.
